

Case with Bluetooth keyboard for iPad with retina display/iPad 2°-3° gen.

Product code: EM0TBK83K

Book case in PU with Bluetooth 2.0 keyboard integrates for iPad with retina display/New iPad/iPad 2, Black color

For those who are looking for an accessory that combines protection and utility, SBS has created a stylish book case with a removable keyboard. Bluetooth technology allows an easy connection to your iPad, facilitating your work or your leisure: the keys are well spaced and allow writing much faster than the touchscreen keyboard, ideal for organizing your text documents or take an active part in chat conversations with your friends.

The case is made of soft ecoleather with high quality stitching ensures a perfect fit with your iPad, ensuring protection against scratches and little crashes. The keyboard is equipped with a fixing magnet, to be removed or placed in the most comfortable position for your hands.

Features:

- made of ecoleather
- front with support for stand position
- bluetooth Keyboard integrated
- working time up to 120 hours
- charges through micro-USB connector
